762 cm

Screen size matters.
Epson brings you Home Theatre Projectors capable
of projecting the biggest screen you have ever seen.

beyond **belief**
beyond **action**
beyond **breathtaking**
beyond **entertainment**

Enter a world where experience goes beyond just words.

Where the latest blockbusters beam your imagination to a world meant only for a handful.
Where the action on the pitch becomes the arena of the Titans.

Where the online web of drama wraps itself around you like a larger-than-life canvas.

Where war games aren't won by the fainthearted.

Are you ready to enter the world of Limitless?

The difference is a bright idea.

We know you love your entertainment. So we created a technology that makes every pixel of your screen three times brighter than the rest.

This is the Epson proprietary 3LCD technology. Created with the sole purpose of breathing life into every frame, and on a scale, no one ever thought possible.

It's little surprise then that Epson Home Theatre Projectors have been the World's No.1 for 13 years straight.

3LCD

GET UP TO **3X** BRIGHTER COLOURS[2]

Before you make your buy, learn more about Colour Brightness at **www.colorlightoutput.com**.

With a home theatre projector, the elevated entertainment experience is not limited to one form of entertainment. Epson Home Theatre Projectors are great for:

Movies

Watch movies the way they are meant to be watched. Get some popcorn and bring the cinema home.
Gaming

See the snipers before they see you. First-person, racing, sports, strategy or any other kind of game - take advantage of the big screen and get right into the midst of the action.

Sports

Head to the stadium within the comfort of your home. In euphoria and disappointment - take in the action and be one with the sport.

Online and TV shows.

Give HD streaming and HD channels the screen size they deserve.
Watch drama come to life at home like never before.

Fit for any home. Especially yours.
Epson Home Theatre Projectors offer

Super-easy installation
But if you are uncertain, leave it to our expert always-available support team.

Light friendly images
Our ultra-bright lamps allow you to leave the blinds open if you need to.

Low maintenance
With long lamp life and reliable build quality, you have less to worry about.

The world's best for more than a reason

World's No.1 Home Theatre Projectors

THE WORLD NO.1
13 YEARS RUNNING

Find your entertainment in anything. With integrated support for multiple connection methods, connect any device of your choice and take your seat amidst the action.

Flexibility is yours - with the placement and mounting options that our projectors offer.

Our superior image enhancement technology, works alongside noise reduction to offer you beauty in entertainment like never before.

Let entertainment leap out. Epson projectors are equipped with special 3D functions including 2D-3D conversion and a high refresh rate that brings the excitement close to you like no other.

Our projectors are powered by Epson-pioneered 3LCD technology that produce equal Colour and White brightness delivering up to 3X brighter colours.
